Job Description

Join Burflex for a career in scaffolding. Start as a labourer learning the ropes within a gang of qualified scaffolders with quick progression to undertaking your Part 1 training and becoming a qualified scaffolder.

We are looking for labourers with a valid CISRS card to start immediately on site within established gangs of scaffolders. Initial hourly rate is £10 per hour (40 hours) with overtime also available all year round.

Burflex operate with tube and fitting materials and Layher system scaffolding and are looking for candidates who want to develop a career in either area. Your career will be supported throughout its progression whichever route you choose with finance assisted training available to committed candidates.

All Burflex employees are directly employed and allocated to a geographical area with its own Area Supervisor. Generally, all gangs work within an agreed distance from their homes and if candidates are occasionally required to work further afield, an additional travel allowance is included on top.

Applicants Must...

- ◆ Hold a CISRS Card to be eligible to apply for this position.
- ◆ Have a Full UK Drivers Licence (preferred).
- ◆ Benefit from previous experience working in the scaffolding and/or construction industry.
